

# Payroll Features

## Online Payroll Software

You have 24/7 access to our online payroll software called iSolved via desktop, tablet or smartphone. Within iSolved you have the ability to enter in all of your payroll data, edit/enter employee information, and view reports. You can review all of your payroll numbers and view your total payroll liabilities before submitting your payroll. You get the convenience and information necessary to process your payroll efficiently, accurately, and timely.

## Payroll Taxes

It's estimated that 40% of small businesses pay penalties for late or incorrect filings. That's money you should never have to part with. We guarantee timely and correct tax payment and filing. If a mistake is ever made, we fix it and pay for any accrued penalties and interest. We take care of all your federal, state, and local payroll taxes deposits, filings and W-2s.

## Paychecks

We eliminate the hassles that come with physical checks by paying all of your employees via direct deposit. If you need a physical paycheck, eliminate delivery fees and lost checks by simply printing a paycheck from our system right from the comfort of your own office.

## Garnishments

Just send us the wage garnishment paperwork and we do the rest. We set up the calculation, deduct it from the employee's check, and make the garnishment payment.

## QuickBooks/Sage 50 General Ledger

Eliminate the need to enter journal entries into QuickBooks or Sage 50 to organize labor costs. Simply upload a file we send you each payroll into QuickBooks/Sage and you're done.

## Paid Time Off Benefit Accruals

Say goodbye to tracking paid time off using sticky notes and spreadsheets. Our sophisticated paid time off tracking feature has you covered.

## Worker's Compensation Tracking

Input your worker's compensation codes into our system one time and let our system do the rest. If you have a "pay-as-you-go"\* policy, no problem, let us help you report it each payroll.

## New Hire Reporting

Each state requires you to report your newly hired employees within a certain timeframe. We do the reporting for you.
